

# filter cartridge PFEL-G2-A

Part number: 1334716

FESTO

## Data sheet

| Feature                                 | Value  |
|---|--|
| Series                                  | L  |
| Grade of filtration                     | 0.01 µm                                      |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress                |
| Food-safe                               | See Supplementary material information       |
| Materials note                          | Contains PWIS substances<br>Conforms to RoHS |
| Material seals                          | NBR  |
| Material filter                         | Boron silicate fibre                         |
