

# sensor rail DASP-G3-41-C-U

Part number: 1355307

FESTO

suitable for bellows gripper DHEB.

## Data sheet

| Feature                                 | Value                                       |
|---|---|
| Size                                    | 41  |
| Assembly position                       | Any   |
| Design structure                        | Sensor strip                                |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress               |
| Ambient temperature                     | 5 ... 60 °C                                 |
| Product weight                          | 5 g   |
| Mounting type                           | Screwed on gripper                          |
| Material of profile                     | Wrought Aluminium alloy<br>Anodised         |
| Materials note                          | Free of copper and PTFE<br>Conforms to RoHS |
| Material screws                         | High alloy steel, non-corrosive             |
