## short-stroke cylinder AEVC-50-25-I-P Part number: 188255 ★ Core product range

No facility for sensing, piston-rod end with female thread.

**FESTO** 

## **Data sheet**

| Feature                                    | Value  |
|--|--|
| Stroke                                     | 25 mm  |
| Piston diameter                            | 50 mm  |
| Spring return force, retracted             | 40 N   |
| Based on the standard                      | ISO 6431   |
|  | Hole pattern   |
|  | VDMA 24562   |
| Cushioning                                 | P: Flexible cushioning rings/plates at both ends                 |
| Assembly position                          | Any  |
| Mode of operation                          | single-acting  |
|  | pushing action   |
| Design structure                           | Piston   |
|  | Piston rod   |
| Position detection                         | No   |
| Operating pressure                         | 1 10 bar   |
| Operating medium                           | Compressed air in accordance with ISO8573-1:2010 [7:4:4]         |
| Note on operating and pilot medium         | Lubricated operation possible (subsequently required for further |
|  | operation)   |
| Corrosion resistance classification CRC    | 1 - Low corrosion stress   |
| Ambient temperature                        | -20 80 °C  |
| Theoretical force at 6 bar, advance stroke | 1,121 N  |
| Moving mass                                | 140 g  |
| Product weight                             | 680 g  |
| Mounting type                              | with through hole  |
|  | with accessories   |
|  | Optional   |
| Pneumatic connection                       | G1/8   |
| Materials note                             | Free of copper and PTFE  |
| Material cover                             | Wrought Aluminium alloy  |
|  | Anodised   |
| Material seals                             | NBR  |
|  | TPE-U(PU)  |
| Material housing                           | Wrought Aluminium alloy  |
|  | Anodised   |
| Material piston rod                        | High alloy steel   |
