

# sub-base VABS-S7-RB-B-G14-V14-A

Part number: 3580505

FESTO

## Data sheet

| Feature                                 | Value   |
|---|---|
| Assembly position                       | Any   |
| Pilot air supply                        | external<br>Internal                                    |
| Operating pressure                      | 0 ... 10 bar  |
| Operating medium                        | Compressed air in accordance with ISO8573-1:2010 [-::-] |
| Corrosion resistance classification CRC | 4 - Very high corrosion stress                          |
| Protection class                        | IP65  |
| Mounting type                           | with through hole                                       |
| Pilot air port 12                       | G1/4  |
| Pneumatic connection, port 1            | G1/4  |
| Pneumatic connection, port 2            | Flange 1/4<br>NAMUR port pattern                        |
| Pneumatic connection, port 3            | G1/4  |
| Materials note                          | Contains PWIS substances<br>Conforms to RoHS            |
| Material of connecting plate            | Aluminium (Ematal coated)                               |
| Material seals                          | NBR   |
