## linear drive DLGF-G-20-200-PPSA Part number: 5074920

**FESTO** 

## Data sheet

| Feature                                    | Value  |
|--|--|
| Stroke                                     | 200 mm   |
| Piston diameter                            | 20 mm  |
| Cushioning                                 | PPS: Self-adjusting pneumatic end-position cushioning            |
| Assembly position                          | Any  |
| Guide                                      | Basic guide  |
| Driver principle                           | positive-locking (slot)  |
| Position detection                         | For proximity sensor   |
| Operating pressure                         | 2 8 bar  |
| Mode of operation                          | double-acting  |
| Operating medium                           | Compressed air in accordance with IS08573-1:2010 [7:-:-]         |
| Note on operating and pilot medium         | Lubricated operation possible (subsequently required for further |
|  | operation)   |
| Corrosion resistance classification CRC    | 1 - Low corrosion stress   |
| Ambient temperature                        | 0 60 °C  |
| Cushioning length                          | 9.6 mm   |
| Max. force Fy                              | 0 N  |
| Max. force Fz (towards the drive)          | 98 N   |
| Max. force +Fz (away from the drive)       | 54 N   |
| Max. torque Mx                             | 0.6 Nm   |
| Max. torque My                             | 2.2 Nm   |
| Max. torque Mz                             | 0.7 Nm   |
| Theoretical force at 6 bar, return stroke  | 188 N  |
| Theoretical force at 6 bar, advance stroke | 188 N  |
| Moving mass                                | 66 g   |
| Product weight                             | 1,153 g  |
| alternative connections                    | See product drawing  |
| Mounting type                              | Direct mounting via through-holes                                |
|  | with accessories   |
| Pneumatic connection                       | M5   |
| Materials note                             | Conforms to RoHS   |
|  | Free of copper   |
| Material cover                             | Die-cast aluminium, coated                                       |
| Material seals                             | NBR  |
|  | TPE-U(PU)  |
| Material housing                           | Anodised aluminium   |
