## activated carbon filter LFX-1/2-D-MAXI Part number: 532785 Classic - do not use for new projects

High performance filter for virtually oil-free, odourless compressed air, suitable for use in the food processing industry

Modern alternatives can be found by entering the first four characters of the type code in the search field.

## **Data sheet**

| Feature                                       | Value  |
|---|--|
| Size  | Maxi   |
| Series  | D  |
| Assembly position                             | Vertical +/- 5°  |
| Design structure                              | Active carbon filter   |
|   | Fibre filter   |
| Bowl guard                                    | Metal bowl guard   |
| Operating pressure                            | 0 16 bar   |
| Recommended maximum standard flow rate        | 1,100 l/min  |
| Max. standard flow rate for air quality class | 1,100 l/min  |
| Operating medium                              | Compressed air in accordance with ISO8573-1:2010 [1:4:2]         |
|   | Inert gases  |
| Note on operating and pilot medium            | Lubricated operation possible (subsequently required for further |
|   | operation)   |
| Storage temperature                           | -10 60 °C  |
| Air purity class at output                    | Compressed air to ISO 8573-1:2010 [1:4:1]                        |
|   | Inert gases  |
| Medium temperature                            | 5 30 °C  |
| Residual oil content                          | <= 0.003 mg/m3   |
| Ambient temperature                           | -10 60 °C  |
| Product weight                                | 1,191 g  |
| Mounting type                                 | Line installation  |
|   | With mounting bracket  |
|   | Optional   |
| Pneumatic connection                          | G1/2   |
| Pneumatic connection, port 1                  | Sub-base   |
|   | G1/2   |
| Pneumatic connection, port 2                  | Sub-base   |
|   | G1/2   |
| Materials note                                | Free of copper and PTFE  |
|   | Conforms to RoHS   |
| Material filter                               | Active carbon  |
|   | Mesh   |
| Material housing                              | Zinc die-casting   |
| Material bowl                                 | PC   |
