

# plug screw DAMD-P-M8-16-R1

Part number: 543716

FESTO

Corrosion-resistant design, suitable for compact cylinder CDC and guided drive DGRF, clean design.

## Data sheet

| Feature                                 | Value                           |
|---|---------------------------------|
| Assembly position                       | Any                             |
| Corrosion resistance classification CRC | 3 - High corrosion stress       |
| Product weight                          | 17.5 g                          |
| Material screws                         | High alloy steel, non-corrosive |
