## proximity sensor SMT-8M-A-PS-24V-E-0,3-M8D Part number: 574334

★ Core product range

Magnetic, contactless, for T-slot.

## **Data sheet**

| Feature  | Value   |
|--|---|
| Design   | for T-slot  |
| Based on the standard                          | EN 60947-5-2  |
| Authorisation                                  | RCM Mark  |
|  | c UL us - Listed (OL)                                       |
| CE mark (see declaration of conformity)        | to EU directive for EMC                                     |
|  | in accordance with EU RoHS directive                        |
| KC mark  | KC-EMV  |
| Special characteristics                        | Oil resistant   |
| Materials note                                 | Free of copper and PTFE                                     |
|  | Conforms to RoHS  |
|  | Halogen-free  |
| Measured variable                              | Position  |
| Measuring principle                            | Magnetoresistive  |
| Ambient temperature                            | -40 85 °C   |
| Repetition accuracy                            | 0.2 mm  |
| Switch output                                  | PNP   |
| Switching element function                     | Normally open contact                                       |
| Switch-on time                                 | <= 1.3 ms   |
| Switch-off time                                | <= 1.4 ms   |
| Max. switching frequency                       | 180 Hz  |
| Max. output current                            | 100 mA  |
| Max. output current in mounting kits           | 100 mA  |
| Max. contact rating DC                         | 2.8 W   |
| Max. switching capacity DC in mounting kits    | 2.8 W   |
| Voltage drop                                   | < 1.5 V   |
| Short circuit strength                         | Yes   |
| Overload withstand capability                  | Available   |
| Nominal operating voltage DC                   | 24 V  |
| Operating voltage range DC                     | 5 30 V  |
| Polarity protected                             | for all electrical connections                              |
| Electrical connection 1, connection type       | Cable with plug   |
| Electrical connection 1, connection technology | M8x1, A-coded to EN 61076-2-104                             |
| Electrical connection 1, number of pins/wires  | 3   |
| Electrical connection 1, type of mounting      | Screw lock  |
| Connector exit direction                       | axial   |
| Test conditions of cable                       | Bending strength according to Festo standard                |
|  | Test conditions on request                                  |
|  | Chain link trunking: 5 million cycles, bending radius 28 mm |
|  | Torsion resistance: > 300,000 cycles, ±270°/0.1 m           |
| Cable length                                   | 0.3 m   |
| Cable attribute                                | Energy chain + robot  |
| Cable sheath colour                            | Grey  |
| Material cable sheath                          | TPE-U(PUR)  |
| Mounting type                                  | Tightened   |

| Feature  | Value                           |
|--|---------------------------------|
|  | Insertable in slot from above   |
| Max. tightening torque                               | 0.6 Nm                          |
| Assembly position                                    | Any                             |
| Product weight                                       | 8.9 g                           |
| Housing colour                                       | Black                           |
| Material housing                                     | Nickel-plated brass             |
|  | PA-reinforced                   |
|  | High alloy steel, non-corrosive |
| Operating status display                             | Yellow LED                      |
| Operating reserve display                            | LED orange                      |
| Ambient temperature with flexible cable installation | -20 85 °C                       |
| Protection class                                     | IP65                            |
|  | IP68                            |
|  | IP69K                           |
