

# pressure supply plate VABF-P5-P3A3-G38

Part number: 8021860

FESTO

## Data sheet

| Feature                                 | Value                         |
|---|-------------------------------|
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| Product weight                          | 87 g                          |
| Materials note                          | Conforms to RoHS              |
| Material o-ring                         | NBR                           |
| Material plate                          | Wrought Aluminium alloy       |
| Material screws                         | Steel                         |
