

adapter kit EHAA-D-L2-80-L2-80

Part number: 8066716
☆ Core product range

FESTO

Data sheet

| Feature | Value |
|-----------------------------------------|--------------------------|
| Corrosion resistance classification CRC | 1 - Low corrosion stress |
| Ambient temperature | -20 ... 80 °C |
| Product weight | 315 g |
| Materials note | Conforms to RoHS |
