

shock absorber retainer DAYP-L8-20

Part number: 8069005

FESTO

Data sheet

Feature	Value
Size	20
Assembly position	Any
Corrosion resistance classification CRC	1 - Low corrosion stress
Ambient temperature	0 ... 60 °C
Product weight	165 g
Mounting type	with through hole
Materials note	Conforms to RoHS Free of copper
Material stops	High alloy steel, non-corrosive
Material stop screw	steel, galvanized
Material nut	steel, galvanized
