

profile mounting DAMH-L8-32-P-1

Part number: 8069011

FESTO

Data sheet

Feature	Value
Size	32
Assembly position	Any
Corrosion resistance classification CRC	1 - Low corrosion stress
Ambient temperature	0 ... 60 °C
Product weight	373 g
Mounting type	Direct mounting via through-holes
Materials note	Conforms to RoHS Free of copper
Material mounting	High alloy steel, non-corrosive
Material screws	Galvanised steel
