

profile mounting DAMH-L8-25-PL-1

Part number: 8069014

FESTO

Data sheet

Feature	Value
Size	25
Assembly position	Any
Corrosion resistance classification CRC	1 - Low corrosion stress
Ambient temperature	0 ... 60 °C
Product weight	99 g
Mounting type	Direct mounting via through-holes
Materials note	Conforms to RoHS Free of copper
Material mounting	Wrought aluminium alloy, anodised
Material sleeve	High alloy steel, non-corrosive
Material nut	steel, galvanized
Material screws	Galvanised steel
