

individual sub-base NAU-1/4-1B-ISO

Part number: 9485

★ Core product range

FESTO

With port pattern as per DIN ISO 5599/1, external dimensions as per VDMA 24345, connections underneath.

Data sheet

Feature	Value
Conforms to standard	ISO 5599-1
Authorisation	UL - Recognized (OL)
Mounting type	with through hole
Auxiliary pilot air port 12/14	G1/8
Pneumatic connection, port 1	G1/4
Pneumatic connection, port 2	G1/4
Pneumatic connection, port 3	G1/4
Pneumatic connection, port 4	G1/4
Pneumatic connection, port 5	G1/4
Materials note	Free of copper and PTFE
Material of connecting plate	Aluminium die cast
